The employees at Abigail's Children's Boutique in Wellesley recently collected warm winter coats through their participation in the annual Anton's Cleaners' Coats for Kids drive.

The coats were dropped at

Anton's Cleaners in Needham.

Through the program, Anton's will clean the coats for free before partnering with a network of social service agencies that help to distribute the coats to those in need

throughout the region. Coats for Kids will accept all donations through Jan. 9 at all 44 Anton's stores and Jordan's Furniture outlets.
